1. BORROWER'S PROMISE TO PAY

In return for a loan that I have received, I promise to pay U.S. \$ 107,696.00 (this amount is called "Principal"), plus interest, to the order of the Lender. The Lender is HOMECOMINGS FINANCIAL, LLC (F/K/A HOMECOMINGS FINANCIAL NETWORK, INC.)

I will make all payments under this Note in the form of cash, check or money order.

I understand that the Lender may transfer this Note. The Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note is called the "Note Holder."

2. INTEREST

Interest will be charged on unpaid principal until the full amount of Principal has been paid. I will pay interest at a yearly rate of 7.2500 %.

The interest rate required by this Section 2 is the rate I will pay both before and after any default described in Section 6(B) of this Note.

3. PAYMENTS

(A) Time and Place of Payments

I will pay principal and interest by making a payment every month.

I will make my monthly payment on the FIRST day of each month beginning on DECEMBER 1ST, 2006. I will make these payments every month until I have paid all of the principal and interest and any other charges described below that I may owe under this Note. Each monthly payment will be applied as of its scheduled due date and will be applied to interest before Principal. If, on NOVEMBER 1ST, 2036, I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "Maturity Date."

I will make my monthly payments at 9 SYLVAN WAY, SUITE 100, PARSIPPANY, NJ 07054
or at a different place if required by the Note Holder.

(B) Amount of Monthly Payments

My monthly payment will be in the amount of U.S. \$ 734.68 .

4. BORROWER'S RIGHT TO PREPAY

I have the right to make payments of Principal at any time before they are due. A payment of Principal only is known as a "Prepayment." When I make a Prepayment, I will tell the Note Holder in writing that I am doing so. I may not designate a payment as a Prepayment if I have not made all the monthly payments due under the Note.

I may make a full Prepayment or partial Prepayments without paying a Prepayment charge. The Note Holder will use my Prepayments to reduce the amount of Principal that I owe under this Note. However, the Note Holder may apply my Prepayment to the accrued and unpaid interest on the Prepayment amount, before applying my Prepayment to reduce the Principal amount of the Note. If I make a partial Prepayment, there will be no changes in the due date or in the amount of my monthly payment unless the Note Holder agrees in writing to those changes.

5. LOAN CHARGES

If a law, which applies to this loan and which sets maximum loan charges, is finally interpreted so that the interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from me which exceeded permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the Principal I owe under this Note or by making a direct payment to me. If a refund reduces Principal, the reduction will be treated as a partial Prepayment.

6. BORROWER'S FAILURE TO PAY AS REQUIRED

(A) Late Charge for Overdue Payments

If the Note Holder has not received the full amount of any monthly payment by the end of 15 calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be 2.00 % of my overdue payment of principal and interest. I will pay this late charge promptly but only once on each late payment.

(B) Default

If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

(C) Notice of Default

If I am in default, the Note Holder may send me a written notice telling me that if I do not pay the overdue amount by a certain date, the Note Holder may require me to pay immediately the full amount of Principal which has not been paid and all the interest that I owe on that amount. That date must be at least 30 days after the date on which the notice is mailed to me or delivered by other means.

(D) No Waiver By Note Holder

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

(E) Payment of Note Holder's Costs and Expenses

If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorneys' fees.

7. GIVING OF NOTICES

Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by delivering it or by mailing it by first class mail to me at the Property Address above or at a different address if I give the Note Holder a notice of my different address.

Any notice that must be given to the Note Holder under this Note will be given by delivering it or by mailing it by first class mail to the Note Holder at the address stated in Section 3(A) above or at a different address if I am given a notice of that different address.

8. OBLIGATIONS OF PERSONS UNDER THIS NOTE

If more than one person signs this Note, each person is fully and personally obligated to keep all of the promises made in this Note, including the promise to pay the full amount owed. Any person who is a guarantor, surety or endorser of this Note is also obligated to do these things. Any person who takes over these obligations, including the obligations of a guarantor, surety or endorser of this Note, is also obligated to keep all of the promises made in this Note. The Note Holder may enforce its rights under this Note against each person individually or against all of us together. This means that any one of us may be required to pay all of the amounts owed under this Note.

9. WAIVERS

I and any other person who has obligations under this Note waive the rights of Presentment and Notice of Dishonor. "Presentment" means the right to require the Note Holder to demand payment of amounts due. "Notice of Dishonor" means the right to require the Note Holder to give notice to other persons that amounts due have not been paid.

10. UNIFORM SECURED NOTE

This Note is a uniform instrument with limited variations in some jurisdictions. In addition to the protections given to the Note Holder under this Note, a Mortgage, Deed of Trust, or Security Deed (the "Security Instrument"), dated the same date as this Note, protects the Note Holder from possible losses which might result if I do not keep the promises which I make in this Note. That Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts I owe under this Note. Some of those conditions are described as follows:

Lender may require immediate payment in full of all Sums Secured by this Security Instrument if all or any part of the Property, or if any right in the Property, is sold or transferred without Lender's prior written permission. If Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred without Lender's prior written permission, Lender also may require immediate payment in full. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender requires immediate payment in full under this Section 18, Lender will give me a notice which states this requirement. The notice will give me at least 30 days to make the required payment. The 30-day period will begin on the date the notice is given to me in the manner required by Section 15 of this Security Instrument. If I do not make the required payment during that period, Lender may act to enforce its rights under this Security Instrument without giving me any further notice or demand for payment.

BORROWER'S TRANSFER TO LENDER OF RIGHTS IN THE PROPERTY

I mortgage, grant and convey the Property to MERS (solely as nominee for Lender and Lender's successors in interest) and its successors in interest subject to the terms of this Security Instrument. This means that, by signing this Security Instrument, I am giving Lender those rights that are stated in this Security Instrument and also those rights that Applicable Law gives to lenders who hold mortgages on real property. I am giving Lender these rights to protect Lender from possible losses that might result if I fail to:

- (A) Pay all the amounts that I owe Lender as stated in the Note including, but not limited to, all renewals, extensions and modifications of the Note;
- (B) Pay, with interest, any amounts that Lender spends under this Security Instrument to protect the value of the Property and Lender's rights in the Property; and
- (C) Keep all of my other promises and agreements under this Security Instrument and the Note.

I understand and agree that MERS holds only legal title to the rights granted by me in this Security Instrument, but, if necessary to comply with law or custom, MERS (as nominee for Lender and Lender's successors and assigns) has the right:

- (A) to exercise any or all of those rights, including, but not limited to, the right to foreclose and sell the Property; and
- (B) to take any action required of Lender including, but not limited to, releasing and canceling this Security Instrument.

DESCRIPTION OF THE PROPERTY

I give MERS (solely as nominee for Lender and Lender's successors in interest) rights in the Property described in (A) through (G) below:

(A) The Property which is located at

178 ROUTE 4N

NORTHUMBERLAND

(City, Town or Village), New York 12871

[Street]

[Zip Code].

This Property is in SARATOGA
description:

County. It has the following legal

Legal description attached hereto and made a part hereof

(B) All buildings and other improvements that are located on the Property described in subsection (A) of this section;

(C) All rights in other property that I have as owner of the Property described in subsection (A) of this section. These rights are known as "easements and appurtenances attached to the Property;"

(D) All rights that I have in the land which lies in the streets or roads in front of, or next to, the Property described in subsection (A) of this section;

(E) All fixtures that are now or in the future will be on the Property described in subsections (A) and (B) of this section;

(F) All of the rights and property described in subsections (B) through (E) of this section that I acquire in the future; and

(G) All replacements of or additions to the Property described in subsections (B) through (F) of this section and all Insurance Proceeds for loss or damage to, and all Miscellaneous Proceeds of the Property described in subsections (A) through (F) of this section.

BORROWER'S RIGHT TO MORTGAGE THE PROPERTY AND BORROWER'S OBLIGATION TO DEFEND OWNERSHIP OF THE PROPERTY

I promise that: (A) I lawfully own the Property; (B) I have the right to mortgage, grant and convey the Property to Lender; and (C) there are no outstanding claims or charges against the Property, except for those which are of public record.

I give a general warranty of title to Lender. This means that I will be fully responsible for any losses which Lender suffers because someone other than myself has some of the rights in the Property which I promise that I have. I promise that I will defend my ownership of the Property against any claims of such rights.

PLAIN LANGUAGE SECURITY INSTRUMENT

This Security Instrument contains promises and agreements that are used in real property security instruments all over the country. It also contains other promises and agreements that vary in different parts of the country. My promises and agreements are stated in "plain language."

COVENANTS

I promise and I agree with Lender as follows:

1. Borrower's Promise to Pay. I will pay to Lender on time principal and interest due under the Note and any prepayment, late charges and other amounts due under the Note. I will also pay all amounts for Escrow Items under Section 3 of this Security Instrument.

Payments due under the Note and this Security Instrument shall be made in U.S. currency. If any of my payments by check or other payment instrument is returned to Lender unpaid, Lender may require my payment be made by: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, drawn upon an institution whose deposits are insured by a federal agency, instrumentality, or entity; or (d) Electronic Funds Transfer.

Payments are deemed received by Lender when received at the location required in the Note, or at another location designated by Lender under Section 15 of this Security Instrument. Lender may return or accept any payment or partial payment if it is for an amount that is less than the amount that is then due. If Lender accepts a lesser payment, Lender may refuse to accept a lesser payment that I may make in the future and does not waive any of its rights. Lender is not obligated to apply such lesser payments when it accepts such payments. If interest on principal accrues as if all Periodic Payments had been paid when due, then Lender need not pay interest on unapplied funds. Lender may hold such unapplied funds until I make payments to bring the Loan current. If I do not do so within a reasonable period of time, Lender will either apply such funds or return them to me. In the event of foreclosure, any unapplied funds will be applied to the outstanding principal balance immediately prior to foreclosure. No offset or claim which I might have now or in the future against Lender will relieve me from making payments due under the Note and this Security Instrument or keeping all of my other promises and agreements secured by this Security Instrument.

2. Application of Borrower's Payments and Insurance Proceeds. Unless Applicable Law or this Section 2 requires otherwise, Lender will apply each of my payments that Lender accepts in the following order:

First, to pay interest due under the Note;

Next, to pay principal due under the Note; and

Next, to pay the amounts due Lender under Section 3 of this Security Instrument.

Such payments will be applied to each Periodic Payment in the order in which it became due.

Any remaining amounts will be applied as follows:

First, to pay any late charges;

Next, to pay any other amounts due under this Security Instrument; and

Next, to reduce the principal balance of the Note.

If Lender receives a payment from me for a late Periodic Payment which includes a sufficient amount to pay any late charge due, the payment may be applied to the late Periodic Payment and the late charge. If more than one Periodic Payment is due, Lender may apply any payment received from me: First, to the repayment of the Periodic Payments that are due if, and to the extent that, each payment can be paid in full; Next, to the extent that any excess exists after the payment is applied to the full payment of one or more Periodic Payments, such excess may be applied to any late charges due.

Voluntary prepayments will be applied as follows: First, to any prepayment charges; and Next, as described in the Note.

Any application of payments, Insurance Proceeds, or Miscellaneous Proceeds to principal due under the Note will not extend or postpone the due date of the Periodic Payments or change the amount of those payments.

3. Monthly Payments For Taxes And Insurance.

(a) Borrower's Obligations.

I will pay to Lender all amounts necessary to pay for taxes, assessments, water charges, sewer rents and other similar charges, ground leasehold payments or rents (if any), hazard or property insurance covering the Property, flood insurance (if any), and any required Mortgage Insurance, or a Loss Reserve as described in Section 10 in the place of Mortgage Insurance. Each Periodic Payment will include an amount to be applied toward payment of the following items which are called "Escrow Items:"

- (1) The taxes, assessments, water charges, sewer rents and other similar charges, on the Property which under Applicable Law may be superior to this Security Instrument as a Lien on the Property. Any claim, demand or charge that is made against property because an obligation has not been fulfilled is known as a "Lien;"
- (2) The leasehold payments or ground rents on the Property (if any);
- (3) The premium for any and all insurance required by Lender under Section 5 of this Security Instrument;
- (4) The premium for Mortgage Insurance (if any);
- (5) The amount I may be required to pay Lender under Section 10 of this Security Instrument instead of the payment of the premium for Mortgage Insurance (if any); and
- (6) If required by Lender, the amount for any Community Association Dues, Fees, and Assessments.

After signing the Note, or at any time during its term, Lender may include these amounts as Escrow Items. The monthly payment I will make for Escrow Items will be based on Lender's estimate of the annual amount required.

I will pay all of these amounts to Lender unless Lender tells me, in writing, that I do not have to do so, or unless Applicable Law requires otherwise. I will make these payments on the same day that my Periodic Payments of principal and interest are due under the Note.

The amounts that I pay to Lender for Escrow Items under this Section 3 will be called "Escrow Funds." I will pay Lender the Escrow Funds for Escrow Items unless Lender waives my obligation to pay the Escrow Funds for any or all Escrow Items. Lender may waive my obligation to pay to Lender Escrow Funds for any or all Escrow Items at any time. Any such waiver must be in writing. In the event of such waiver, I will pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Escrow Funds has been waived by Lender and, if Lender requires, will promptly send to Lender receipts showing such payment within such time period as Lender may require. My obligation to make such payments and to provide receipts will be considered to be a promise and agreement contained in this Security Instrument, as the phrase "promises and agreements" is used in Section 9 of this Security Instrument. If I am obligated to pay Escrow Items directly, pursuant to a waiver, and I fail to pay the amount due for an Escrow Item, Lender may pay that amount and I will then be obligated under Section 9 of this Security Instrument to repay to Lender. Lender may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with Section 15 of this Security Instrument and, upon the revocation, I will pay to Lender all Escrow Funds, and in amounts, that are then required under this Section 3.

I promise to promptly send to Lender any notices that I receive of Escrow Item amounts to be paid. Lender will estimate from time to time the amount of Escrow Funds I will have to pay by using existing assessments and bills and reasonable estimates of the amount I will have to pay for Escrow Items in the future, unless Applicable Law requires Lender to use another method for determining the amount I am to pay.

Lender may, at any time, collect and hold Escrow Funds in an amount sufficient to permit Lender to apply the Escrow Funds at the time specified under RESPA. Applicable Law puts limits on the total amount of Escrow Funds Lender can at any time collect and hold. This total amount cannot be more than the maximum amount a lender could require under RESPA. If there is another Applicable Law that imposes a lower limit on the total amount of Escrow Funds Lender can collect and hold, Lender will be limited to the lower amount.

(b) Lender's Obligations.

Lender will keep the Escrow Funds in a savings or banking institution which has its deposits insured by a federal agency, instrumentality, or entity, or in any Federal Home Loan Bank. If Lender is such a savings or banking institution, Lender may hold the Escrow Funds. Lender will use the Escrow Funds to pay the Escrow Items no later than the time allowed under RESPA or other Applicable Law. Lender will give to me, without charge, an annual accounting of the Escrow Funds. That accounting will show all additions to and deductions from the Escrow Funds and the reason for each deduction.

Lender may not charge me for holding or keeping the Escrow Funds, for using the Escrow Funds to pay Escrow Items, for making a yearly analysis of my payment of Escrow Funds or for receiving, or for verifying and totaling assessments and bills. However, Lender may charge me for these services if Lender pays me interest on the Escrow Funds and if Applicable Law permits Lender to make such a charge. Lender will not be required to pay me any interest or earnings on the Escrow Funds unless either (1) Lender and I agree in writing that Lender will pay interest on the Escrow Funds, or (2) Applicable Law requires Lender to pay interest on the Escrow Funds.

(c) Adjustments to the Escrow Funds.

Under Applicable Law, there is a limit on the amount of Escrow Funds Lender may hold. If the amount of Escrow Funds held by Lender exceeds this limit, then there will be an excess amount and RESPA requires Lender to account to me in a special manner for the excess amount of Escrow Funds.

If, at any time, Lender has not received enough Escrow Funds to make the payments of Escrow Items when the payments are due, Lender may tell me in writing that an additional amount is necessary. I will pay to Lender whatever additional amount is necessary to pay the Escrow Items when the payments are due, but the number of payments will not be more than 12.

When I have paid all of the Sums Secured, Lender will promptly refund to me any Escrow Funds that are then being held by Lender.

4. Borrower's Obligation to Pay Charges, Assessments And Claims. I will pay all taxes, assessments, water charges, sewer rents and other similar charges, and any other charges and fines that may be imposed on the Property and that may be superior to this Security Instrument. I will also make ground rents or payments due under my lease if I am a tenant on the Property and Community Association Dues, Fees, and Assessments (if any) due on the Property. If these items are Escrow Items, I will do this by making the payments as described in Section 3 of this Security Instrument. In this Security Instrument, the word "Person" means any individual, organization, governmental authority or other party.

I will promptly pay or satisfy all Liens against the Property that may be superior to this Security Instrument. However, this Security Instrument does not require me to satisfy a superior Lien if: (a) I agree, in writing, to pay the obligation which gave rise to the superior Lien and Lender approves the way in which I agree to pay that obligation, but only so long as I am performing such agreement; (b) in good faith, I argue or defend against the superior Lien in a lawsuit so that in Lender's opinion, during the lawsuit, the superior Lien may not be enforced, but only until the lawsuit ends; or (c) I secure from the holder of that other Lien an agreement, approved in writing by Lender, that the Lien of this Security

Instrument is superior to the Lien held by that Person. If Lender determines that any part of the Property is subject to a superior Lien, Lender may give Borrower a notice identifying the superior Lien. Within 10 days of the date on which the notice is given, Borrower shall pay or satisfy the superior Lien or take one or more of the actions mentioned in this Section 4.

Lender also may require me to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with the Loan, unless Applicable Law does not permit Lender to make such a charge.

5. Borrower's Obligation to Maintain Hazard Insurance or Property Insurance. I will obtain hazard or property insurance to cover all buildings and other improvements that now are, or in the future will be, located on the Property. The insurance will cover loss or damage caused by fire, hazards normally covered by "Extended Coverage" hazard insurance policies, and any other hazards for which Lender requires coverage, including, but not limited to earthquakes and floods. The insurance will be in the amounts (including, but not limited to, deductible levels) and for the periods of time required by Lender. What Lender requires under the last sentence can change during the term of the Loan. I may choose the insurance company, but my choice is subject to Lender's right to disapprove. Lender may not disapprove my choice unless the disapproval is reasonable. Lender may require me to pay either (a) a one-time charge for flood zone determination, certification and tracking services, or (b) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings or similar changes occur which reasonably might affect the flood zone determination or certification. If I disagree with the flood zone determination, I may request the Federal Emergency Management Agency to review the flood zone determination and I promise to pay any fees charged by the Federal Emergency Management Agency for its review.

If I fail to maintain any of the insurance coverages described above, Lender may obtain insurance coverage, at Lender's option and my expense. Lender is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage will cover Lender, but might or might not protect me, my equity in the Property, or the contents of the Property, against any risk, hazard or liability and might provide greater or lesser coverage than was previously in effect. I acknowledge that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that I could have obtained. Any amounts disbursed by Lender under this Section 5 will become my additional debt secured by this Security Instrument. These amounts will bear interest at the interest rate set forth in the Note from the date of disbursement and will be payable with such interest, upon notice from Lender to me requesting payment.

All of the insurance policies and renewals of those policies will include what is known as a "Standard Mortgage Clause" to protect Lender and will name Lender as mortgagee and/or as an additional loss payee. The form of all policies and renewals will be acceptable to Lender. Lender will have the right to hold the policies and renewal certificates. If Lender requires, I will promptly give Lender all receipts of paid premiums and renewal notices that I receive.

If I obtain any form of insurance coverage, not otherwise required by Lender, for damage to, or destruction of, the Property, such policy will include a Standard Mortgage Clause and will name Lender as mortgagee and/or as an additional loss payee.

If there is a loss or damage to the Property, I will promptly notify the insurance company and Lender. If I do not promptly prove to the insurance company that the loss or damage occurred, then Lender may do so.

The amount paid by the insurance company for loss or damage to the Property is called "Insurance Proceeds." Unless Lender and I otherwise agree in writing, any Insurance Proceeds, whether or not the underlying insurance was required by Lender, will be used to repair or to restore the damaged Property unless: (a) it is not economically feasible to make the repairs or restoration; (b) the use of the Insurance Proceeds for that purpose would lessen the protection given to Lender by this Security Instrument; or (c) Lender and I have agreed in writing not to use the Insurance Proceeds for that purpose. During the period

that any repairs or restorations are being made, Lender may hold any Insurance Proceeds until it has had an opportunity to inspect the Property to verify that the repair work has been completed to Lender's satisfaction. However, this inspection will be done promptly. Lender may make payments for the repairs and restorations in a single payment or in a series of progress payments as the work is completed. Unless Lender and I agree otherwise in writing or unless Applicable Law requires otherwise, Lender is not required to pay me any interest or earnings on the Insurance Proceeds. I will pay for any public adjusters or other third parties that I hire, and their fees will not be paid out of the Insurance Proceeds. If the repair or restoration is not economically feasible or if it would lessen Lender's protection under this Security Instrument, then the Insurance Proceeds will be used to reduce the amount that I owe to Lender under this Security Instrument. Such Insurance Proceeds will be applied in the order provided for in Section 2. If any of the Insurance Proceeds remain after the amount that I owe to Lender has been paid in full, the remaining Insurance Proceeds will be paid to me.

If I abandon the Property, Lender may file, negotiate and settle any available insurance claim and related matters. If I do not answer, within 30 days, a notice from Lender stating that the insurance company has offered to settle a claim, Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 22 of this Security Instrument or otherwise, I give Lender my rights to any Insurance Proceeds in an amount not greater than the amounts unpaid under the Note and this Security Instrument. I also give Lender any other of my rights (other than the right to any refund of unearned premiums that I paid) under all insurance policies covering the Property, if the rights are applicable to the coverage of the Property. Lender may use the Insurance Proceeds either to repair or restore the Property or to pay amounts unpaid under the Note or this Security Instrument, whether or not then due.

6. Borrower's Obligations to Occupy The Property. I will occupy the Property and use the Property as my principal residence within 60 days after I sign this Security Instrument. I will continue to occupy the Property and to use the Property as my principal residence for at least one year. The one-year period will begin when I first occupy the Property. However, I will not have to occupy the Property and use the Property as my principal residence within the time frames set forth above if Lender agrees in writing that I do not have to do so. Lender may not refuse to agree unless the refusal is reasonable. I also will not have to occupy the Property and use the Property as my principal residence within the time frames set forth above if extenuating circumstances exist which are beyond my control.

7. Borrower's Obligations to Maintain And Protect The Property And to Fulfill Any Lease Obligations.

(a) Maintenance and Protection of the Property.

I will not destroy, damage or harm the Property, and I will not allow the Property to deteriorate. Whether or not I am residing in the Property, I will keep the Property in good repair so that it will not deteriorate or decrease in value due to its condition. Unless it is determined under Section 5 of this Security Instrument that repair is not economically feasible, I will promptly repair the Property if damaged to avoid further deterioration or damage. If insurance or Condemnation (as defined in the definition of Miscellaneous Proceeds) proceeds are paid because of loss or damage to, or Condemnation of, the Property, I will repair or restore the Property only if Lender has released those proceeds for such purposes. Lender may pay for the repairs and restoration out of proceeds in a single payment or in a series of progress payments as the work is completed. If the insurance or Condemnation proceeds are not sufficient to repair or restore the Property, I promise to pay for the completion of such repair or restoration.

(b) Lender's Inspection of Property.

Lender, and others authorized by Lender, may enter on and inspect the Property. They will do so in a reasonable manner and at reasonable times. If it has a reasonable purpose, Lender may inspect the inside of the home or other improvements on the Property. Before or at the time an inspection is made, Lender will give me notice stating a reasonable purpose for such interior inspection.

8. **Borrower's Loan Application.** If, during the application process for the Loan, I, or any Person or entity acting at my direction or with my knowledge or consent, made false, misleading, or inaccurate statements to Lender about information important to Lender in determining my eligibility for the Loan (or did not provide Lender with such information), Lender will treat my actions as a default under this Security Instrument. False, misleading, or inaccurate statements about information important to Lender would include a misrepresentation of my intention to occupy the Property as a principal residence. This is just one example of a false, misleading, or inaccurate statement of important information.

9. **Lender's Right to Protect Its Rights in The Property.** If: (a) I do not keep my promises and agreements made in this Security Instrument; (b) someone, including me, begins a legal proceeding that may significantly affect Lender's interest in the Property or rights under this Security Instrument (such as a legal proceeding in bankruptcy, in probate, for Condemnation or Forfeiture (as defined in Section 11), proceedings which could give a Person rights which could equal or exceed Lender's interest in the Property or under this Security Instrument, proceedings for enforcement of a Lien which may become superior to this Security Instrument, or to enforce laws or regulations); or (c) I have abandoned the Property, then Lender may do and pay for whatever is reasonable or appropriate to protect Lender's interest in the Property and Lender's rights under this Security Instrument.

Lender's actions may include, but are not limited to: (a) protecting and/or assessing the value of the Property; (b) securing and/or repairing the Property; (c) paying sums to eliminate any Lien against the Property that may be equal or superior to this Security Instrument; (d) appearing in court; and (e) paying reasonable attorneys' fees to protect its interest in the Property and/or rights under this Security Instrument, including its secured position in a bankruptcy proceeding. Lender can also enter the Property to make repairs, change locks, replace or board up doors and windows, drain water from pipes, eliminate building or other code violations or dangerous conditions, have utilities turned on or off, and take any other action to secure the Property. Although Lender may take action under this Section 9, Lender does not have to do so and is under no duty to do so. I agree that Lender will not be liable for not taking any or all actions under this Section 9.

I will pay to Lender any amounts, with interest, which Lender spends under this Section 9. I will pay those amounts to Lender when Lender sends me a notice requesting that I do so. I will pay interest on those amounts at the interest rate set forth in the Note. Interest on each amount will begin on the date that the amount is spent by Lender. This Security Instrument will protect Lender in case I do not keep this promise to pay those amounts with interest.

If I do not own, but am a tenant on the Property, I will fulfill all my obligations under my lease. I also agree that, if I acquire the full title (sometimes called "Fee Title") to the Property, my lease interest and the Fee Title will not merge unless Lender agrees to the merger in writing.

10. **Mortgage Insurance.** If Lender required Mortgage Insurance as a condition of making the Loan, I will pay the premiums for the Mortgage Insurance. If, for any reason, the Mortgage Insurance coverage ceases to be available from the mortgage insurer that previously provided such insurance and Lender required me to make separate payments toward the premiums for Mortgage Insurance, I will pay the premiums for substantially equivalent Mortgage Insurance coverage from an alternate mortgage insurer. However, the cost of this Mortgage Insurance coverage will be substantially equivalent to the cost to me of the previous Mortgage Insurance coverage, and the alternate mortgage insurer will be selected by Lender.

If substantially equivalent Mortgage Insurance coverage is not available, Lender will establish a non-refundable "Loss Reserve" as a substitute for the Mortgage Insurance coverage. I will continue to pay to Lender each month an amount equal to one-twelfth of the yearly Mortgage Insurance premium (as of the time the coverage lapsed or ceased to be in effect). Lender will retain these payments, and will use these payments to pay for losses that the Mortgage Insurance would have covered. The Loss Reserve is non-refundable even if the Loan is ultimately paid in full and Lender is not required to pay me any interest on the Loss Reserve. Lender can no longer require Loss Reserve payments if: (a) Mortgage Insurance

coverage again becomes available through an insurer selected by Lender; (b) such Mortgage Insurance is obtained; (c) Lender requires separately designated payments toward the premiums for Mortgage Insurance; and (d) the Mortgage Insurance coverage is in the amount and for the period of time required by Lender.

If Lender required Mortgage Insurance as a condition of making the Loan and Borrower was required to make separate payments toward the premiums for Mortgage Insurance, I will pay the Mortgage Insurance premiums, or the Loss Reserve payments, until the requirement for Mortgage Insurance ends according to any written agreement between Lender and me providing for such termination or until termination of Mortgage Insurance is required by Applicable Law. Lender may require me to pay the premiums, or the Loss Reserve payments, in the manner described in Section 3 of this Security Instrument. Nothing in this Section 10 will affect my obligation to pay interest at the rate provided in the Note.

A Mortgage Insurance policy pays Lender (or any entity that purchases the Note) for certain losses it may incur if Borrower does not repay the Loan as agreed. Borrower is not a party to the Mortgage Insurance policy.

Mortgage insurers assess their total risk on all Mortgage Insurance from time to time. Mortgage insurers may enter into agreements with other parties to share or change their risk, or to reduce losses. These agreements are based on terms and conditions that are satisfactory to the mortgage insurer and the other party (or parties) to these agreements. These agreements may require the mortgage insurer to make payments using any source of funds that the mortgage insurer may have available (which may include Mortgage Insurance premiums).

As a result of these agreements, Lender, any owner of the Note, another insurer, any reinsurer, or any other entity may receive (directly or indirectly) amounts that come from a portion of Borrower's payments for Mortgage Insurance, in exchange for sharing or changing the mortgage insurer's risk, or reducing losses. If these agreements provide that an affiliate of Lender takes a share of the insurer's risk in exchange for a share of the premiums paid to the insurer, the arrangement is often termed "captive reinsurance." It also should be understood that: (a) any of these agreements will not affect the amounts that Borrower has agreed to pay for Mortgage Insurance, or any other terms of the Loan. These agreements will not increase the amount Borrower will owe for Mortgage Insurance, and they will not entitle Borrower to any refund; and (b) any of these agreements will not affect the rights Borrower has - if any - regarding the Mortgage Insurance under the Homeowners Protection Act of 1998 or any other law. These rights may include the right (a) to receive certain disclosures, (b) to request and obtain cancellation of the Mortgage Insurance, (c) to have the Mortgage Insurance terminated automatically, and/or (d) to receive a refund of any Mortgage Insurance premiums that were not earned at the time of such cancellation or termination.

11. Agreements About Miscellaneous Proceeds; Forfeiture. All Miscellaneous Proceeds are assigned to and will be paid to Lender.

If the Property is damaged, such Miscellaneous Proceeds will be applied to restoration or repair of the Property, if (a) the restoration or repair is economically feasible, and (b) Lender's security given in this Security Instrument is not lessened. During such repair and restoration period, Lender will have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect the Property to verify that the work has been completed to Lender's satisfaction. However, the inspection will be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless Lender and I agree otherwise in writing or unless Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender will not be required to pay Borrower any interest or earnings on the Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Lender's security given in this Security Instrument would be lessened, the Miscellaneous Proceeds will be applied to the Sums Secured, whether or not then due. The excess, if any, will be paid to me. Such Miscellaneous Proceeds will be applied in the order provided for in Section 2.

In the event of a total taking, destruction, or loss in value of the Property, the Miscellaneous Proceeds will be applied to the Sums Secured, whether or not then due. The excess, if any, will be paid to me.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is equal to or greater than the amount of the Sums Secured immediately before the partial taking, destruction, or loss in

value, the Sums Secured will be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the Sums Secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to me.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is less than the amount of the Sums Secured immediately before the partial taking, destruction, or loss in value, the Miscellaneous Proceeds will be applied to the Sums Secured whether or not the sums are then due.

If I abandon the Property, or if, after Lender sends me notice that the Opposing Party (as defined in the next sentence) offered to make an award to settle a claim for damages, I fail to respond to Lender within 30 days after the date Lender gives notice, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the Sums Secured, whether or not then due. "Opposing Party" means the third party that owes me Miscellaneous Proceeds or the party against whom I have a right of action in regard to Miscellaneous Proceeds.

I will be in default under this Security Instrument if any civil or criminal action or proceeding that Lender determines could result in a court ruling (a) that would require Forfeiture of the Property, or (b) that could damage Lender's interest in the Property or rights under this Security Instrument. "Forfeiture" is a court action to require the Property, or any part of the Property, to be given up. I may correct the default by obtaining a court ruling that dismisses the court action, if Lender determines that this court ruling prevents Forfeiture of the Property and also prevents any damage to Lender's interest in the Property or rights under this Security Instrument. If I correct the default, I will have the right to have enforcement of this Security Instrument discontinued, as provided in Section 19 of this Security Instrument, even if Lender has required Immediate Payment in Full (as defined in Section 22). The proceeds of any award or claim for damages that are attributable to the damage or reduction of Lender's interest in the Property are assigned, and will be paid, to Lender.

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property will be applied in the order provided for in Section 2.

12. Continuation of Borrower's Obligations And of Lender's Rights.

(a) Borrower's Obligations.

Lender may allow me, or a Person who takes over my rights and obligations, to delay or to change the amount of the Periodic Payments. Even if Lender does this, however, I will still be fully obligated under the Note and under this Security Instrument unless Lender agrees to release me, in writing, from my obligations.

Lender may allow those delays or changes for me or a Person who takes over my rights and obligations, even if Lender is requested not to do so. Even if Lender is requested to do so, Lender will not be required to (1) bring a lawsuit against me or such a Person for not fulfilling obligations under the Note or under this Security Instrument, or (2) refuse to extend time for payment or otherwise modify amortization of the Sums Secured.

(b) Lender's Rights.

Even if Lender does not exercise or enforce any right of Lender under this Security Instrument or under Applicable Law, Lender will still have all of those rights and may exercise and enforce them in the future. Even if: (1) Lender obtains insurance, pays taxes, or pays other claims, charges or Liens against the Property; (2) Lender accepts payments from third Persons; or (3) Lender accepts payments in amounts less than the amount then due, Lender will have the right under Section 22 below to demand that I make Immediate Payment in Full of any amounts remaining due and payable to Lender under the Note and under this Security Instrument.

13. Obligations of Borrower And of Persons Taking Over Borrower's Rights or Obligations. If more than one Person signs this Security Instrument as Borrower, each of us is fully obligated to keep all of Borrower's promises and obligations contained in this Security Instrument. Lender may enforce Lender's rights under this Security Instrument against each of us individually or against all of us together. This means that any one of us may be required to pay all of the Sums Secured. However, if one of us does not sign the Note: (a) that Person is signing this Security Instrument only to give that Person's rights in the Property to Lender under the terms of this Security Instrument; (b) that Person is not personally obligated to pay the Sums Secured; and (c) that Person agrees that Lender may agree with the other Borrowers to

delay enforcing any of Lender's rights, to modify, or make any accommodations with regard to the terms of this Security Instrument or the Note without that Person's consent.

Subject to the provisions of Section 18 of this Security Instrument, any Person who takes over my rights or obligations under this Security Instrument in writing, and is approved by Lender in writing, will have all of my rights and will be obligated to keep all of my promises and agreements made in this Security Instrument. Borrower will not be released from Borrower's obligations and liabilities under this Security Instrument unless Lender agrees to such release in writing. Any Person who takes over Lender's rights or obligations under this Security Instrument will have all of Lender's rights and will be obligated to keep all of Lender's promises and agreements made in this Security Instrument except as provided under Section 20.

14. Loan Charges. Lender may charge me fees for services performed in connection with my default, for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument, including, but not limited to, attorneys' fees, property inspection and valuation fees. With regard to other fees, the fact that this Security Instrument does not expressly indicate that Lender may charge a certain fee does not mean that Lender cannot charge that fee. Lender may not charge fees that are prohibited by this Security Instrument or by Applicable Law.

If the Loan is subject to Applicable Law which sets maximum loan charges, and that Applicable Law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the Loan exceed permitted limits: (a) any such loan charge will be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from me which exceeded permitted limits will be refunded to me. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge (even if a prepayment charge is provided for under the Note). If I accept such a refund that is paid directly to me, I will waive any right to bring a lawsuit against Lender because of the overcharge.

15. Notices Required under this Security Instrument. All notices given by me or Lender in connection with this Security Instrument will be in writing. Any notice to me in connection with this Security Instrument is considered given to me when mailed by first class mail or when actually delivered to my notice address if sent by other means. Notice to any one Borrower will be notice to all Borrowers unless Applicable Law expressly requires otherwise. The notice address is the address of the Property unless I give notice to Lender of a different address. I will promptly notify Lender of my change of address. If Lender specifies a procedure for reporting my change of address, then I will only report a change of address through that specified procedure. There may be only one designated notice address under this Security Instrument at any one time. Any notice to Lender will be given by delivering it or by mailing it by first class mail to Lender's address stated on the first page of this Security Instrument unless Lender has given me notice of another address. Any notice in connection with this Security Instrument is given to Lender when it is actually received by Lender. If any notice required by this Security Instrument is also required under Applicable Law, the Applicable Law requirement will satisfy the corresponding requirement under this Security Instrument.

16. Law That Governs this Security Instrument; Word Usage. This Security Instrument is governed by federal law and the law of New York State. All rights and obligations contained in this Security Instrument are subject to any requirements and limitations of Applicable Law. Applicable Law might allow the parties to agree by contract or it might be silent, but such silence does not mean that Lender and I cannot agree by contract. If any term of this Security Instrument or of the Note conflicts with Applicable Law, the conflict will not affect other provisions of this Security Instrument or the Note which can operate, or be given effect, without the conflicting provision. This means that the Security Instrument or the Note will remain as if the conflicting provision did not exist.

As used in this Security Instrument: (a) words of the masculine gender mean and include corresponding words of the feminine and neuter genders; (b) words in the singular mean and include the plural, and words in the plural mean and include the singular; and (c) the word "may" gives sole discretion without any obligation to take any action.

17. Borrower's Copy. I will be given one copy of the Note and of this Security Instrument.

18. Agreements about Lender's Rights If the Property Is Sold or Transferred. Lender may require Immediate Payment in Full of all Sums Secured by this Security Instrument if all or any part of the Property, or if any right in the Property, is sold or transferred without Lender's prior written permission.

If Borrower is not a natural Person and a beneficial interest in Borrower is sold or transferred without Lender's prior written permission, Lender also may require Immediate Payment in Full. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender requires Immediate Payment in Full under this Section 18, Lender will give me a notice which states this requirement. The notice will give me at least 30 days to make the required payment. The 30-day period will begin on the date the notice is given to me in the manner required by Section 15 of this Security Instrument. If I do not make the required payment during that period, Lender may act to enforce its rights under this Security Instrument without giving me any further notice or demand for payment.

19. Borrower's Right to Have Lender's Enforcement of this Security Instrument Discontinued. Even if Lender has required Immediate Payment in Full, I may have the right to have enforcement of this Security Instrument stopped. I will have this right at any time before the earliest of: (a) five days before sale of the Property under any power of sale granted by this Security Instrument; (b) another period as Applicable Law might specify for the termination of my right to have enforcement of the Loan stopped; or (c) a judgment has been entered enforcing this Security Instrument. In order to have this right, I will meet the following conditions:

- (a) I pay to Lender the full amount that then would be due under this Security Instrument and the Note as if Immediate Payment in Full had never been required;
- (b) I correct my failure to keep any of my other promises or agreements made in this Security Instrument;
- (c) I pay all of Lender's reasonable expenses in enforcing this Security Instrument including, for example, reasonable attorneys' fees, property inspection and valuation fees, and other fees incurred for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument; and
- (d) I do whatever Lender reasonably requires to assure that Lender's interest in the Property and rights under this Security Instrument and my obligations under the Note and under this Security Instrument continue unchanged.

Lender may require that I pay the sums and expenses mentioned in (a) through (d) in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check drawn upon an institution whose deposits are insured by a federal agency, instrumentality or entity; or (d) Electronic Funds Transfer.

If I fulfill all of the conditions in this Section 19, then this Security Instrument will remain in full effect as if Immediate Payment in Full had never been required. However, I will not have the right to have Lender's enforcement of this Security Instrument discontinued if Lender has required Immediate Payment in Full under Section 18 of this Security Instrument.

20. Note Holder's Right to Sell the Note or an Interest in the Note; Borrower's Right to Notice of Change of Loan Servicer; Lender's and Borrower's Right to Notice of Grievance. The Note, or an interest in the Note, together with this Security Instrument, may be sold one or more times. I might not receive any prior notice of these sales.

The entity that collects the Periodic Payments and performs other mortgage loan servicing obligations under the Note, this Security Instrument, and Applicable Law is called the "Loan Servicer." There may be a change of the Loan Servicer as a result of the sale of the Note. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. Applicable Law requires that I be given written notice of any change of the Loan Servicer. The notice will state the name and address of the new Loan Servicer, and also tell me the address to which I should make my payments. The notice also will contain any other information required by RESPA or Applicable Law. If the Note is sold and thereafter the Loan is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to me will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless otherwise provided by the Note purchaser.

Neither I nor Lender may commence, join or be joined to any court action (as either an individual party or the member of a class) that arises from the other party's actions pursuant to this Security Instrument or that alleges that the other has not fulfilled any of its obligations under this Security Instrument, unless the other is notified (in the manner required under Section 15 of this Security Instrument) of the unfulfilled obligation and given a reasonable time period to take corrective action. If

Applicable Law provides a time period which will elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this paragraph. The notice of acceleration and opportunity to cure given to me under Section 22 and the notice of the demand for payment in full given to me under Section 22 will be deemed to satisfy the notice and opportunity to take corrective action provisions of this Section 20. All rights under this paragraph are subject to Applicable Law.

21. Continuation of Borrower's Obligations to Maintain and Protect the Property. The federal laws and the laws of New York State that relate to health, safety or environmental protection are called "Environmental Law." Environmental Law classifies certain substances as toxic or hazardous. There are other substances that are considered hazardous for purposes of this Section 21. These substances are gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. The substances defined as toxic or hazardous by Environmental Law and the substances considered hazardous for purposes of this Section 21 are called "Hazardous Substances." "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law. An "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup.

I will not do anything affecting the Property that violates Environmental Law, and I will not allow anyone else to do so. I will not cause or permit Hazardous Substances to be present on the Property. I will not use or store Hazardous Substances on the Property. I also will not dispose of Hazardous Substances on the Property, or release any Hazardous Substance on the Property, and I will not allow anyone else to do so. I also will not do, nor allow anyone else to do, anything affecting the Property that: (a) is in violation of any Environmental Law; (b) creates an Environmental Condition; or (c) which, due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects the value of the Property. The promises in this paragraph do not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized as appropriate for normal residential use and maintenance of the Property (including, but not limited to, Hazardous Substances in consumer products). I may use or store these small quantities on the Property. In addition, unless Environmental Law requires removal or other action, the buildings, the improvements and the fixtures on the Property are permitted to contain asbestos and asbestos-containing materials if the asbestos and asbestos-containing materials are undisturbed and "non-friable" (that is, not easily crumbled by hand pressure).

I will promptly give Lender written notice of: (a) any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which I have actual knowledge; (b) any Environmental Condition, including but not limited to, any spilling, leaking, discharge, release or threat of release of any Hazardous Substance; and (c) any condition caused by the presence, use or release of a Hazardous Substance which adversely affects the value of the Property. If I learn, or any governmental or regulatory authority, or any private party, notifies me that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, I will promptly take all necessary remedial actions in accordance with Environmental Law.

Nothing in this Security Instrument creates an obligation on Lender for an Environmental Cleanup.

NON-UNIFORM COVENANTS

I also promise and agree with Lender as follows:

22. Lender's Rights If Borrower Fails to Keep Promises and Agreements. Except as provided in Section 18 of this Security Instrument, if all of the conditions stated in subsections (a), (b) and (c) of this Section 22 are met, Lender may require that I pay immediately the entire amount then remaining unpaid under the Note and under this Security Instrument. Lender may do this without making any further demand for payment. This requirement is called "Immediate Payment in Full."

If Lender requires Immediate Payment in Full, Lender may bring a lawsuit to take away all of my remaining rights in the Property and have the Property sold. At this sale Lender or another

Person may acquire the Property. This is known as "Foreclosure and Sale." In any lawsuit for Foreclosure and Sale, Lender will have the right to collect all costs and disbursements and additional allowances allowed by Applicable Law and will have the right to add all reasonable attorneys' fees to the amount I owe Lender, which fees shall become part of the Sums Secured.

Lender may require Immediate Payment in Full under this Section 22 only if all of the following conditions are met:

- (a) I fail to keep any promise or agreement made in this Security Instrument or the Note, including, but not limited to, the promises to pay the Sums Secured when due, or if another default occurs under this Security Instrument;
- (b) Lender sends to me, in the manner described in Section 15 of this Security Instrument, a notice that states:

- (1) The promise or agreement that I failed to keep or the default that has occurred;
- (2) The action that I must take to correct that default;
- (3) A date by which I must correct the default. That date will be at least 30 days from the date on which the notice is given;
- (4) That if I do not correct the default by the date stated in the notice, Lender may require Immediate Payment in Full, and Lender or another Person may acquire the Property by means of Foreclosure and Sale;
- (5) That if I meet the conditions stated in Section 19 of this Security Instrument, I will have the right to have Lender's enforcement of this Security Instrument stopped and to have the Note and this Security Instrument remain fully effective as if Immediate Payment in Full had never been required; and
- (6) That I have the right in any lawsuit for Foreclosure and Sale to argue that I did keep my promises and agreements under the Note and under this Security Instrument, and to present any other defenses that I may have; and

- (c) I do not correct the default stated in the notice from Lender by the date stated in that notice.

23. Lender's Obligation to Discharge this Security Instrument. When Lender has been paid all amounts due under the Note and under this Security Instrument, Lender will discharge this Security Instrument by delivering a certificate stating that this Security Instrument has been satisfied. I will pay all costs of recording the discharge in the proper official records. I agree to pay a fee for the discharge of this Security Instrument, if Lender so requires. Lender may require that I pay such a fee, but only if the fee is paid to a third party for services rendered and the charging of the fee is permitted by Applicable Law.

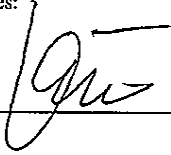

24. Agreements about New York Lien Law. I will receive all amounts lent to me by Lender subject to the trust fund provisions of Section 13 of the New York Lien Law. This means that I will: (a) hold all amounts which I receive and which I have a right to receive from Lender under the Note as a trust fund; and (b) use those amounts to pay for "Cost of Improvement" (as defined in Section 13 of the New York Lien Law) before I use them for any other purpose. The fact that I am holding those amounts as a trust fund means that for any building or other improvement located on the Property I have a special responsibility under the law to use the amount in the manner described in this Section 24.

25. Borrower's Statement Regarding the Property [check box as applicable].

ARTICLE I

DEFINITIONS

Section 1.01. Definitions.

Whenever used in this Agreement, the following words and phrases, unless the context otherwise requires, shall have the meanings specified in this Article.

Accretion Termination Date: As defined in the Series Supplement.

Accrual Certificates: As defined in the Series Supplement.

Accrued Certificate Interest: With respect to each Distribution Date, as to any Class or Subclass of Certificates (other than any Principal Only Certificates), interest accrued during the related Interest Accrual Period at the related Pass-Through Rate on the Certificate Principal Balance or Notional Amount thereof immediately prior to such Distribution Date. Accrued Certificate Interest will be calculated on the basis of a 360-day year, consisting of twelve 30-day months. In each case Accrued Certificate Interest on any Class or Subclass of Certificates will be reduced by the amount of:

- (i) Prepayment Interest Shortfalls on all Mortgage Loans or, if the Mortgage Pool is comprised of two or more Loan Groups, on the Mortgage Loans in the related Loan Group (to the extent not offset by the Master Servicer with a payment of Compensating Interest as provided in Section 4.01),
- (ii) the interest portion (adjusted to the Net Mortgage Rate (or the Modified Net Mortgage Rate in the case of a Modified Mortgage Loan)) of Realized Losses on all Mortgage Loans or, if the Mortgage Pool is comprised of two or more Loan Groups, on the Mortgage Loans in the related Loan Group (including Excess Special Hazard Losses, Excess Fraud Losses, Excess Bankruptcy Losses and Extraordinary Losses) not allocated solely to one or more specific Classes of Certificates pursuant to Section 4.05,
- (iii) the interest portion of Advances that were (A) previously made with respect to a Mortgage Loan or REO Property on all Mortgage Loans or, if the Mortgage Pool is comprised of two or more Loan Groups, on the Mortgage Loans in the related Loan Group, which remained unreimbursed following the Cash Liquidation or REO Disposition of such Mortgage Loan or REO Property and (B) made with respect to delinquencies that were ultimately determined to be Excess Special Hazard Losses, Excess Fraud Losses, Excess Bankruptcy Losses or Extraordinary Losses, and
- (iv) any other interest shortfalls not covered by the subordination provided by the Class M Certificates and Class B Certificates, including interest that is not collectible from the Mortgagor pursuant to the Servicemembers Civil Relief Act of 1940, as amended, or similar legislation or regulations as in effect from time to time,

with all such reductions allocated (A) among all of the Certificates in proportion to their respective amounts of Accrued Certificate Interest payable on such Distribution Date absent such reductions or (B) if the Mortgage Pool is comprised of two or more Loan Groups, the related Senior Percentage of such reductions among the related Senior Certificates in proportion to the amounts of Accrued Certificate Interest payable from the related Loan Group on such Distribution Date absent such reductions, with the remainder of such reductions allocated among the holders of the Class M Certificates and Class B Certificates in proportion to their respective amounts of Accrued Certificate Interest payable on such Distribution Date absent such reductions. In addition to that portion of the reductions described in the preceding sentence that are allocated to any Class of Class B Certificates or any Class of Class M Certificates, Accrued Certificate Interest on such Class of Class B Certificates or

such Class of Class M Certificates will be reduced by the interest portion (adjusted to the Net Mortgage Rate) of Realized Losses that are allocated solely to such Class of Class B Certificates or such Class of Class M Certificates pursuant to Section 4.05.

Such amount shall be determined separately for each Loan Group. Additionally, with respect to any Mortgage Pool that is comprised of two or more Loan Groups, if on any Distribution Date Compensating Interest provided pursuant to this Section 3.16(e) is less than Prepayment Interest Shortfalls incurred on the Mortgage Loans in connection with Principal Prepayments in Full and Curtailments made in the prior calendar month, such Compensating Interest shall be allocated on such Distribution Date to the Available Distribution Amount for each Loan Group on a pro rata basis in accordance with the respective amounts of such Prepayment Interest Shortfalls incurred on the Mortgage Loans in such Loan Group in respect of such Distribution Date.

Business Day: Any day other than (i) a Saturday or a Sunday or (ii) a day on which banking institutions in the State of New York, the State of Michigan, the State of California, the State of Illinois or the State of Minnesota (and such other state or states in which the Custodial Account or the Certificate Account are at the time located) are required or authorized by law or executive order to be closed.

Buydown Mortgage Loan: Any Mortgage Loan as to which a specified amount of interest is paid out of related Buydown Funds in accordance with a related buydown agreement.

Calendar Quarter: A Calendar Quarter shall consist of one of the following time periods in any given year: January 1 through March 31, April 1 through June 30, July 1 through September 30, and October 1 through December 31.

Capitalization Reimbursement Amount: With respect to any Distribution Date and, with respect to any Mortgage Pool comprised of two or more Loan Groups, each Loan Group, the amount of Advances or Servicing Advances that were added to the Stated Principal Balance of all Mortgage Loans or, if the Mortgage Pool is comprised of two or more Loan Groups, on the Mortgage Loans in the related Loan Group, during the prior calendar month and reimbursed to the Master Servicer or Subservicer on or prior to such Distribution Date pursuant to Section 3.10(a)(vii), plus the Capitalization Reimbursement Shortfall Amount remaining unreimbursed from any prior Distribution Date and reimbursed to the Master Servicer or Subservicer on or prior to such Distribution Date.

Capitalization Reimbursement Shortfall Amount: With respect to any Distribution Date and, with respect to any Mortgage Pool comprised of two or more Loan Groups, each Loan Group, the amount, if any, by which the amount of Advances or Servicing Advances that were added to the Stated Principal Balance of all Mortgage Loans (or, if the Mortgage Pool is comprised of two or more Loan Groups, on the Mortgage Loans in the related Loan Group) during the preceding calendar month exceeds the amount of principal payments on the Mortgage Loans included in the Available Distribution Amount (or, if the Mortgage Pool is comprised of two or more Loan Groups, Available Distribution Amount for the related Loan Group) for that Distribution Date.

(h) The Company agrees that the sale of each Pledged Asset Loan pursuant to this Agreement will also constitute the assignment, sale, setting-over, transfer and conveyance to the Trustee, without recourse (but subject to the Company's covenants, representations and warranties specifically provided herein), of all of the Company's obligations and all of the Company's right, title and interest in, to and under, whether now existing or hereafter acquired as owner of the Mortgage Loan with respect to any and all money, securities, security entitlements, accounts, general intangibles, payment intangibles, instruments, documents, deposit accounts, certificates of deposit, commodities contracts, and other investment property and other property of whatever kind or description consisting of, arising from or related to (i) the Assigned Contracts, (ii) all rights, powers and remedies of the Company as owner of such Mortgage Loan under or in connection with the Assigned Contracts, whether arising under the terms of such Assigned Contracts, by statute, at law or in equity, or otherwise arising out of any default by the Mortgagor under or in connection with the Assigned Contracts, including all rights to exercise any election or option or to make any decision or determination or to give or receive any notice, consent, approval or waiver thereunder, (iii) the Pledged Amounts and all money, securities, security entitlements, accounts, general intangibles, payment intangibles, instruments, documents, deposit accounts, certificates of deposit, commodities contracts, and other investment property and other property of whatever kind or description and all cash and non-cash proceeds of the sale, exchange, or redemption of, and all stock or conversion rights, rights to subscribe, liquidation dividends or

The foregoing transfer, sale, assignment and conveyance does not constitute and is not intended to result in the creation, or an assumption by the Trustee, of any obligation of the Company, or any other person in connection with the Pledged Assets or under any agreement or instrument relating thereto, including any obligation to the Mortgagor, other than as owner of the Mortgage Loan.

Section 2.02. Acceptance by Trustee.

The Trustee acknowledges receipt (or, with respect to Mortgage Loans subject to a Custodial Agreement, and based solely upon a receipt or certification executed by the Custodian, receipt by the respective Custodian as the duly appointed agent of the Trustee) of the documents required to be delivered to the Trustee (or the Custodian on behalf of the Trustee) pursuant to Section 2.01(b) above (except that for purposes of such acknowledgement only, a Mortgage Note may be endorsed in blank) and declares that it, or the Custodian as its agent, holds and will hold such documents and the other documents constituting a part of the Custodial Files delivered to it, or a Custodian as its agent, and the rights of Residential Funding with respect to any Pledged Assets, Additional Collateral and the Surety Bond assigned to the Trustee pursuant to Section 2.01, in trust for the use and benefit of all present and future Certificateholders. The Trustee or Custodian (the Custodian being so obligated under a Custodial Agreement) agrees, for the benefit of Certificateholders, to review each Custodial File delivered to it pursuant to Section 2.01(b) within 45 days after the Closing Date to ascertain that all required documents (specifically as set forth in Section 2.01(b)), have been executed and received, and that such documents relate to the Mortgage Loans identified on the Mortgage Loan Schedule, as supplemented, that have been conveyed to it, and to deliver to the Trustee a certificate (the "Interim Certification") to the effect that all documents required to be delivered pursuant to Section 2.01(b) above have been executed and received and that such documents relate to the Mortgage Loans identified on the Mortgage Loan Schedule, except for any exceptions listed on Schedule A attached to such Interim Certification. Upon delivery of the Custodial Files by the Company or the Master Servicer, the Trustee shall acknowledge receipt (or, with respect to Mortgage Loans subject to a Custodial Agreement, and based solely upon a receipt or certification executed by the Custodian, receipt by the respective Custodian as the duly appointed agent of the Trustee) of the documents referred to in Section 2.01(c) above.

Pursuant to Section 2.3 of the Custodial Agreement, the Custodian will notify the Master Servicer, the Company and the Trustee of any such omission or defect found by it in respect of any Custodial File held by it in respect of the items reviewed by it pursuant to the Custodial Agreement. If such omission or defect materially and adversely affects the interests of the Certificateholders, the Master Servicer shall promptly notify Residential Funding of such omission or defect and request Residential Funding to correct or cure such omission or defect within 60 days from the date the Master Servicer was notified of such omission or defect and, if Residential Funding does not correct or cure such omission or defect within such period, require Residential Funding to purchase such Mortgage Loan from the Trust Fund at its Purchase Price, within 90 days from the date the Master Servicer was notified of such omission or defect; provided that if the omission or defect would cause the Mortgage Loan to be other than a "qualified mortgage" as defined in Section 860G(a)(3) of the Code, any such cure or repurchase must occur within 90 days from the date such breach was discovered. The Purchase Price for any such Mortgage Loan shall be deposited by the Master Servicer in the Custodial Account maintained by it pursuant to Section 3.07 and, upon receipt by the Trustee of written notification of such deposit signed by a Servicing Officer, the Master Servicer, the Trustee or the Custodian, as the case may be, shall release the contents of any related Mortgage File in its possession to the owner of such Mortgage Loan (or such owners' designee) and the Trustee shall execute and deliver such instruments of transfer or assignment prepared by the Master Servicer, in each case without recourse, as shall be necessary to vest in Residential Funding or its designee any Mortgage Loan released pursuant hereto and thereafter such Mortgage Loan shall not be part of the Trust Fund. It is understood and agreed that the obligation of Residential Funding to so cure or purchase any Mortgage Loan as to which a material and adverse defect in or omission of a constituent document exists shall constitute the sole remedy respecting such defect or omission available to Certificateholders or the Trustee on behalf of the Certificateholders.

- (i) The Master Servicer is a limited liability company duly organized, validly existing and in good standing under the laws governing its creation and existence and is or will be in compliance with the laws of each state in which any Mortgaged Property is located to the extent necessary to ensure the enforceability of each Mortgage Loan in accordance with the terms of this Agreement;
- (ii) The execution and delivery of this Agreement by the Master Servicer and its performance and compliance with the terms of this Agreement will not violate the Master Servicer's Certificate of Formation or Limited Liability Company Agreement or constitute a material default (or an event which, with notice or lapse of time, or both, would constitute a material default) under, or result in the material breach of, any material contract, agreement or other instrument to which the Master Servicer is a party or which may be applicable to the Master Servicer or any of its assets;
- (iii) This Agreement, assuming due authorization, execution and delivery by the Trustee and the Company, constitutes a valid, legal and binding obligation of the Master Servicer, enforceable against it in accordance with the terms hereof subject to applicable bankruptcy, insolvency, reorganization, moratorium and other laws affecting the enforcement of creditors' rights generally and to general principles of equity, regardless of whether such enforcement is considered in a proceeding in equity or at

law;

- (iv) The Master Servicer is not in default with respect to any order or decree of any court or any order, regulation or demand of any federal, state, municipal or governmental agency, which default might have consequences that would materially and adversely affect the condition (financial or other) or operations of the Master Servicer or its properties or might have consequences that would materially adversely affect its performance hereunder;
- (v) No litigation is pending or, to the best of the Master Servicer's knowledge, threatened against the Master Servicer which would prohibit its entering into this Agreement or performing its obligations under this Agreement;
- (vi) The Master Servicer will comply in all material respects in the performance of this Agreement with all reasonable rules and requirements of each insurer under each Required Insurance Policy;
- (vii) No information, certificate of an officer, statement furnished in writing or report delivered to the Company, any Affiliate of the Company or the Trustee by the Master Servicer will, to the knowledge of the Master Servicer, contain any untrue statement of a material fact or omit a material fact necessary to make the information, certificate, statement or report not misleading;
- (viii) The Master Servicer has examined each existing, and will examine each new, Subservicing Agreement and is or will be familiar with the terms thereof. The terms of each existing Subservicing Agreement and each designated Subservicer are acceptable to the Master Servicer and any new Subservicing Agreements will comply with the provisions of Section 3.02; and
- (ix) The Master Servicer is a member of MERS in good standing, and will comply in all material respects with the rules and procedures of MERS in connection with the servicing of the Mortgage Loans that are registered with MERS.

It is understood and agreed that the representations and warranties set forth in this Section 2.03(a) shall survive delivery of the respective Custodial Files to the Trustee or the Custodian.

Upon discovery by either the Company, the Master Servicer, the Trustee or the Custodian of a breach of any representation or warranty set forth in this Section 2.03(a) which materially and adversely affects the interests of the Certificateholders in any Mortgage Loan, the party discovering such breach shall give prompt written notice to the other parties (the Custodian being so obligated under a Custodial Agreement). Within 90 days of its discovery or its receipt of notice of such breach, the Master Servicer shall either (i) cure such breach in all material respects or (ii) to the extent that such breach is with respect to a Mortgage Loan or a related document, purchase such Mortgage Loan from the Trust Fund at the Purchase Price and in the manner set forth in Section 2.02; provided that if the omission or defect would cause the Mortgage Loan to be other than a "qualified mortgage" as defined in Section 860G(a)(3) of the Code, any such cure or repurchase must occur within 90 days from the date such breach was discovered. The obligation of the Master Servicer to cure such breach or to so purchase such Mortgage Loan shall constitute the sole remedy in respect of a breach of a representation and warranty set forth in this Section 2.03(a) available to the Certificateholders or the Trustee on behalf of the Certificateholders.

(b) Representations and warranties relating to the Mortgage Loans are set forth in Section 2.03(b) of the Series Supplement.

Section 2.04. Representations and Warranties of Residential Funding.

The Company, as assignee of Residential Funding under the Assignment Agreement, hereby assigns to the Trustee for the benefit of Certificateholders all of its right, title and interest in respect of the Assignment Agreement applicable to a Mortgage Loan. Insofar as the Assignment Agreement relates to the representations and warranties made by Residential Funding in respect of such Mortgage Loan and any remedies provided thereunder for any breach of such representations and warranties, such right, title and interest may be enforced by the Master Servicer on behalf of the Trustee and the Certificateholders. Upon the discovery by the Company, the Master Servicer, the Trustee or the Custodian of a breach of any of the representations and warranties made in the Assignment Agreement (which, for purposes hereof, will be deemed to include any other cause giving rise to a repurchase obligation under the Assignment Agreement) in respect of any Mortgage Loan which materially and adversely affects the interests of the Certificateholders in such Mortgage Loan, the party discovering such breach shall give prompt written notice to the other parties (the Custodian being so obligated under a Custodial Agreement). The Master Servicer shall promptly notify Residential Funding of such breach and request that Residential Funding either (i) cure such breach in all material respects within 90 days from the date the Master Servicer was notified of such breach or (ii) purchase such Mortgage Loan from the Trust Fund at the Purchase Price and in the manner set forth in Section 2.02; provided that Residential Funding shall have the option to substitute a Qualified Substitute Mortgage Loan or Loans for such Mortgage Loan if such substitution occurs within two years following the Closing Date; provided that if the breach would cause the Mortgage Loan to be other than a "qualified mortgage" as defined in Section 860G(a)(3) of the Code, any such cure, repurchase or substitution must occur within 90 days from the date the breach was discovered. If a breach of the Compliance With Laws Representation has given rise to the obligation to repurchase or substitute a Mortgage Loan pursuant to Section 4 of the Assignment Agreement, then the Master Servicer shall request that Residential Funding pay to the Trust Fund, concurrently with and in addition to the remedies provided in the preceding sentence, an amount equal to any liability, penalty or expense that was actually incurred and paid out of or on behalf of the Trust Fund, and that directly resulted from such breach, or if incurred and paid by the Trust Fund thereafter, concurrently with such payment. In the event that Residential Funding elects to substitute a Qualified Substitute Mortgage Loan or Loans for a Deleted Mortgage Loan pursuant to this Section 2.04, Residential Funding shall deliver to the Trustee or the Custodian for the benefit of the Certificateholders with respect to such Qualified Substitute Mortgage Loan or Loans, the original Mortgage Note, the Mortgage, an Assignment of the Mortgage in recordable form, if required pursuant to Section 2.01, and such other documents and agreements as are required by Section 2.01, with the Mortgage Note endorsed as required by Section 2.01. No substitution will be made in any calendar month after the Determination Date for such month. Monthly

Payments due with respect to Qualified Substitute Mortgage Loans in the month of substitution shall not be part of the Trust Fund and will be retained by the Master Servicer and remitted by the Master Servicer to Residential Funding on the next succeeding Distribution Date. For the month of substitution, distributions to the Certificateholders will include the Monthly Payment due on a Deleted Mortgage Loan for such month and thereafter Residential Funding shall be entitled to retain all amounts received in respect of such Deleted Mortgage Loan. The Master Servicer shall amend or cause to be amended the Mortgage Loan Schedule, and, if the Deleted Mortgage Loan was a Discount Mortgage Loan, the Schedule of Discount Fractions, for the benefit of the Certificateholders to reflect the removal of such Deleted Mortgage Loan and the substitution of the Qualified Substitute Mortgage Loan or Loans and the Master Servicer shall deliver the amended Mortgage Loan Schedule, and, if the Deleted Mortgage Loan was a Discount Mortgage Loan, the amended Schedule of Discount Fractions, to the Trustee. Upon such substitution, the Qualified Substitute Mortgage Loan or Loans shall be subject to the terms of this Agreement and the related Subservicing Agreement in all respects, Residential Funding shall be deemed to have made the representations and warranties with respect to the Qualified Substitute Mortgage Loan contained in the related Assignment Agreement, and the Company and the Master Servicer shall be deemed to have made with respect to any Qualified Substitute Mortgage Loan or Loans, as of the date of substitution, the covenants, representations and warranties set forth in this Section 2.04, in Section 2.03 hereof and in Section 4 of the Assignment Agreement, and the Master Servicer shall be obligated to repurchase or substitute for any Qualified Substitute Mortgage Loan as to which a Repurchase Event (as defined in the Assignment Agreement) has occurred pursuant to Section 4 of the Assignment Agreement.

In connection with the substitution of one or more Qualified Substitute Mortgage Loans for one or more Deleted Mortgage Loans, the Master Servicer will determine the amount (if any) by which the aggregate principal balance of all such Qualified Substitute Mortgage Loans as of the date of substitution is less than the aggregate Stated Principal Balance of all such Deleted Mortgage Loans (in each case after application of the principal portion of the Monthly Payments due in the month of substitution that are to be distributed to the Certificateholders in the month of substitution). Residential Funding shall deposit the amount of such shortfall into the Custodial Account on the day of substitution, without any reimbursement therefor. Residential Funding shall give notice in writing to the Trustee of such event, which notice shall be accompanied by an Officers' Certificate as to the calculation of such shortfall and (subject to Section 10.01(f)) by an Opinion of Counsel to the effect that such substitution will not cause (a) any federal tax to be imposed on the Trust Fund, including without limitation, any federal tax imposed on "prohibited transactions" under Section 860F(a)(1) of the Code or on "contributions after the startup date" under Section 860G(d)(1) of the Code or (b) any portion of any REMIC to fail to qualify as such at any time that any Certificate is outstanding.

It is understood and agreed that the obligation of Residential Funding to cure such breach or purchase, or to substitute for, a Mortgage Loan as to which such a breach has occurred and is continuing and to make any additional payments required under the Assignment Agreement in connection with a breach of the Compliance With Laws Representation shall constitute the sole remedy respecting such breach available to the Certificateholders or the Trustee on behalf of Certificateholders. If the Master Servicer is Residential Funding, then the Trustee shall also have the right to give the notification and require the purchase or substitution provided for in the second preceding paragraph in the event of such a breach of a representation or warranty made by Residential Funding in the Assignment Agreement. In connection with the purchase of or substitution for any such Mortgage Loan by Residential Funding, the Trustee shall assign to Residential Funding all of the Trustee's right, title and interest in respect of the Assignment Agreement applicable to such Mortgage Loan.

As provided in Section 2.05 of the Series Supplement.

Section 2.06. Conveyance of Uncertificated REMIC I and REMIC II Regular Interests; Acceptance by the Trustee.

As provided in Section 2.06 of the Series Supplement.

Section 2.07. Issuance of Certificates Evidencing Interests in REMIC II.

As provided in Section 2.07 of the Series Supplement.

Section 2.08. Purposes and Powers of the Trust.

The purpose of the trust, as created hereunder, is to engage in the following activities:

- (a) to sell the Certificates to the Company in exchange for the Mortgage Loans;
- (b) to enter into and perform its obligations under this Agreement;
- (c) to engage in those activities that are necessary, suitable or convenient to accomplish the foregoing or are incidental thereto or connected therewith; and
- (d) subject to compliance with this Agreement, to engage in such other activities as may be required in connection with conservation of the Trust Fund and the making of distributions to the Certificateholders.

The trust is hereby authorized to engage in the foregoing activities. Notwithstanding the provisions of Section 11.01, the trust shall not engage in any activity other than in connection with the foregoing or other than as required or authorized by the terms of this Agreement while any Certificate is outstanding, and this Section 2.08 may not be amended, without the consent of the Certificateholders evidencing a majority of the aggregate Voting Rights of the Certificates.

ARTICLE III

ADMINISTRATION AND SERVICING
OF MORTGAGE LOANS

Section 3.01. Master Servicer to Act as Servicer.

(a) The Master Servicer shall service and administer the Mortgage Loans in accordance with the terms of this Agreement and the respective Mortgage Loans and shall have full power and authority, acting alone or through Subservicers as provided in Section 3.02, to do any and all things which it may deem necessary or desirable in connection with such servicing and administration. Without limiting the generality of the foregoing, the Master Servicer in its own name or in the name of a Subservicer is hereby authorized and empowered by the Trustee when the Master Servicer or the Subservicer, as the case may be, believes it appropriate in its best judgment, to execute and deliver, on behalf of the Certificateholders and the Trustee or any of them, any and all instruments of satisfaction or cancellation, or of partial or full release or discharge, or of consent to assumption or modification in connection with a proposed conveyance, or of assignment of any Mortgage and Mortgage Note in connection with the repurchase of a Mortgage Loan and all other comparable instruments, or with respect to the modification or re-recording of a Mortgage for the purpose of correcting the Mortgage, the subordination of the lien of the Mortgage in favor of a public utility company or government agency or unit with powers of eminent domain, the taking of a deed in lieu of foreclosure, the commencement, prosecution or completion of judicial or non-judicial foreclosure, the conveyance of a Mortgaged Property to the related Insurer, the acquisition of any property acquired by foreclosure or deed in lieu of foreclosure, or the management, marketing and conveyance of any property acquired by foreclosure or deed in lieu of foreclosure with respect to the Mortgage Loans and with respect to the Mortgaged Properties. The Master Servicer further is authorized and empowered by the Trustee, on behalf of the Certificateholders and the Trustee, in its own name or in the name of the Subservicer, when the Master Servicer or the Subservicer, as the case may be, believes it appropriate in its best judgment to register any Mortgage Loan on the MERS(R) System, or cause the removal from the registration of any Mortgage Loan on the MERS(R) System, to execute and deliver, on behalf of the Trustee and the Certificateholders or any of them, any and all instruments of assignment and other comparable instruments with respect to such assignment or re-recording of a Mortgage in the name of MERS, solely as nominee for the Trustee and its successors and assigns. Any expenses incurred in connection with the actions described in the preceding sentence shall be borne by the Master Servicer in accordance with Section 3.16(c), with no right of reimbursement; provided, that if, as a result of MERS discontinuing or becoming unable to continue operations in connection with the MERS System, it becomes necessary to remove any Mortgage Loan from registration on the MERS System and to arrange for the assignment of the related Mortgages to the Trustee, then any related expenses shall be reimbursable to the Master Servicer. Notwithstanding the foregoing, subject to Section 3.07(a), the Master Servicer shall not permit any modification with respect to any Mortgage Loan that would both constitute a sale or exchange of such Mortgage Loan within the meaning of Section 1001 of the Code and any proposed, temporary or final regulations promulgated thereunder (other than in connection with a proposed conveyance or assumption of such Mortgage Loan that is treated as a Principal Prepayment in Full pursuant to Section 3.13(d) hereof) and cause any REMIC formed under the Series Supplement to fail to qualify as a REMIC under the Code. The Trustee shall furnish the Master Servicer with any powers of attorney and other documents necessary or appropriate to enable the Master Servicer to service and administer the Mortgage Loans. The Trustee shall not be liable for any action taken by the Master Servicer or any Subservicer pursuant to such powers of attorney. In servicing and administering any Nonsubserviced Mortgage Loan, the Master Servicer shall, to the extent not inconsistent with this Agreement, comply with the Program Guide as if it were the originator of such Mortgage Loan and had retained the servicing rights and obligations in respect thereof. In connection with servicing and administering the Mortgage Loans, the Master Servicer and any Affiliate of the Master Servicer (i) may perform services such as appraisals and brokerage services that are not customarily provided by servicers of mortgage loans, and shall be entitled to reasonable compensation therefor in accordance with Section 3.10 and (ii) may, at its own discretion and on behalf of the Trustee, obtain credit information in the form of a "credit score" from a credit repository.

(b) All costs incurred by the Master Servicer or by Subservicers in effecting the timely payment of taxes and assessments on the properties subject to the Mortgage Loans shall not, for the purpose of calculating monthly distributions to the Certificateholders, be added to the amount owing under the related Mortgage Loans, notwithstanding that the terms of such Mortgage Loan so permit, and such costs shall be recoverable to the extent permitted by Section 3.10(a)(ii).

(c) The Master Servicer may enter into one or more agreements in connection with the offering of pass-through certificates evidencing interests in one or more of the Certificates providing for the payment by the Master Servicer of amounts received by the Master Servicer as servicing compensation hereunder and required to cover certain Prepayment Interest Shortfalls on the Mortgage Loans, which payment obligation will thereafter be an obligation of the Master Servicer hereunder.

Section 3.02. Subservicing Agreements Between Master Servicer and Subservicers; Enforcement of Subservicers' and Sellers' Obligations.

(a) The Master Servicer may continue in effect Subservicing Agreements entered into by Residential Funding and Subservicers prior to the execution and delivery of this Agreement, and may enter into new Subservicing Agreements with Subservicers, for the servicing and administration of all or some of the Mortgage Loans. Each Subservicer of a Mortgage Loan shall be entitled to receive and retain, as provided in the related Subservicing Agreement and in Section 3.07, the related Subservicing Fee from payments of interest received on such Mortgage Loan after payment of all amounts required to be remitted to the Master Servicer in respect of such Mortgage Loan. For any Mortgage Loan that is a Nonsubserviced Mortgage Loan, the Master Servicer shall be entitled to receive and retain an amount equal to the Subservicing Fee from payments of interest. Unless the context otherwise requires, references in this Agreement to actions taken or to be taken by the Master Servicer in servicing the Mortgage Loans include actions taken or to be taken by a Subservicer on behalf of the Master Servicer. Each Subservicing Agreement will be upon such terms and conditions as are generally required or permitted by the Program Guide and are not inconsistent with this Agreement and as the Master Servicer and the Subservicer have agreed. A representative form of Subservicing Agreement is attached hereto as Exhibit E. With the approval of the Master Servicer, a Subservicer may delegate its servicing obligations to third-party servicers, but such

Subservicer will remain obligated under the related Subservicing Agreement. The Master Servicer and a Subservicer may enter into amendments thereto or a different form of Subservicing Agreement, and the form referred to or included in the Program Guide is merely provided for information and shall not be deemed to limit in any respect the discretion of the Master Servicer to modify or enter into different Subservicing Agreements; provided, however, that any such amendments or different forms shall be consistent with and not violate the provisions of either this Agreement or the Program Guide in a manner which would materially and adversely affect the interests of the Certificateholders. The Program Guide and any other Subservicing Agreement entered into between the Master Servicer and any Subservicer shall require the Subservicer to accurately and fully report its borrower credit files to each of the Credit Repositories in a timely manner.

(b) As part of its servicing activities hereunder, the Master Servicer, for the benefit of the Trustee and the Certificateholders, shall use its best reasonable efforts to enforce the obligations of each Subservicer under the related Subservicing Agreement and of each Seller under the related Seller's Agreement insofar as the Company's rights with respect to Seller's obligation has been assigned to the Trustee hereunder, to the extent that the non-performance of any such Seller's obligation would have a material and adverse effect on a Mortgage Loan, including, without limitation, the obligation to purchase a Mortgage Loan on account of defective documentation, as described in Section 2.02, or on account of a breach of a representation or warranty, as described in Section 2.04. Such enforcement, including, without limitation, the legal prosecution of claims, termination of Subservicing Agreements or Seller's Agreements, as appropriate, and the pursuit of other appropriate remedies, shall be in such form and carried out to such an extent and at such time as the Master Servicer would employ in its good faith business judgment and which are normal and usual in its general mortgage servicing activities. The Master Servicer shall pay the costs of such enforcement at its own expense, and shall be reimbursed therefor only (i) from a general recovery resulting from such enforcement to the extent, if any, that such recovery exceeds all amounts due in respect of the related Mortgage Loan or (ii) from a specific recovery of costs, expenses or attorneys fees against the party against whom such enforcement is directed. For purposes of clarification only, the parties agree that the foregoing is not intended to, and does not, limit the ability of the Master Servicer to be reimbursed for expenses that are incurred in connection with the enforcement of a Seller's obligations (insofar as the Company's rights with respect to such Seller's obligations have been assigned to the Trustee hereunder) and are reimbursable pursuant to Section 3.10(a)(viii).

Section 3.03. Successor Subservicers.

The Master Servicer shall be entitled to terminate any Subservicing Agreement that may exist in accordance with the terms and conditions of such Subservicing Agreement and without any limitation by virtue of this Agreement; provided, however, that in the event of termination of any Subservicing Agreement by the Master Servicer or the Subservicer, the Master Servicer shall either act as servicer of the related Mortgage Loan or enter into a Subservicing Agreement with a successor Subservicer which will be bound by the terms of the related Subservicing Agreement. If the Master Servicer or any Affiliate of Residential Funding acts as servicer, it will not assume liability for the representations and warranties of the Subservicer which it replaces. If the Master Servicer enters into a Subservicing Agreement with a successor Subservicer, the Master Servicer shall use reasonable efforts to have the successor Subservicer assume liability for the representations and warranties made by the terminated Subservicer in respect of the related Mortgage Loans and, in the event of any such assumption by the successor Subservicer, the Master Servicer may, in the exercise of its business judgment, release the terminated Subservicer from liability for such representations and warranties.

Section 3.04. Liability of the Master Servicer.

Notwithstanding any Subservicing Agreement, any of the provisions of this Agreement relating to agreements or arrangements between the Master Servicer or a Subservicer or reference to actions taken through a Subservicer or otherwise, the Master Servicer shall remain obligated and liable to the Trustee and the Certificateholders for the servicing and administering of the Mortgage Loans in accordance with the provisions of Section 3.01 without diminution of such obligation or liability by virtue of such Subservicing Agreements or arrangements or by virtue of indemnification from the Subservicer or the Company and to the same extent and under the same terms and conditions as if the Master Servicer alone were servicing and administering the Mortgage Loans. The Master Servicer shall be entitled to enter into any agreement with a Subservicer or Seller for indemnification of the Master Servicer and nothing contained in this Agreement shall be deemed to limit or modify such indemnification.

Section 3.05. No Contractual Relationship Between Subservicer and Trustee or Certificateholders.

Any Subservicing Agreement that may be entered into and any other transactions or services relating to the Mortgage Loans involving a Subservicer in its capacity as such and not as an originator shall be deemed to be between the Subservicer and the Master Servicer alone and the Trustee and the Certificateholders shall not be deemed parties thereto and shall have no claims, rights, obligations, duties or liabilities with respect to the Subservicer in its capacity as such except as set forth in Section 3.06. The foregoing provision shall not in any way limit a Subservicer's obligation to cure an omission or defect or to repurchase a Mortgage Loan as referred to in Section 2.02 hereof.

Section 3.06. Assumption or Termination of Subservicing Agreements by Trustee.

(a) If the Master Servicer shall for any reason no longer be the master servicer (including by reason of an Event of Default), the Trustee, its designee or its successor shall thereupon assume all of the rights and obligations of the Master Servicer under each Subservicing Agreement that may have been entered into. The Trustee, its designee or the successor servicer for the Trustee shall be deemed to have assumed all of the Master Servicer's interest therein and to have replaced the Master Servicer as a party to the Subservicing Agreement to the same extent as if the Subservicing Agreement had been assigned to the assuming party except that the Master Servicer shall not thereby be relieved of any liability or obligations under the Subservicing Agreement.

(b) The Master Servicer shall, upon request of the Trustee but at the expense of the Master Servicer, deliver to the assuming party all documents and records relating to each
